Relaxing and rejuvenating gentle warm oil massage for ladies by professional Male therapist.

Here is the opportunity to try a professional, genuine, rejuvenating massage!
 I'm a graduate, friendly man with bright spirit and warm heart, I enjoy meditation, joy of yoga and I aspire to connecting you as well to this harmony.

During the full body massage, I apply warmed, 100% natural, organic herbal oil all over the body and a specific pattern of movements. If you feel like relaxing and rejuvenating in a gentle way without experiencing pain, this is the perfect choice, but if you need a very strong, deep tissue reaching massage because of stiff or painful muscles, trust me, I can help you with it efficiently as well. The massage is tailor-made for you, and what your body needs for balance and well-being at the time.
 I offer you a complete body treatment for an affordable price, it's minimum 70 minutes long for the perfect harmonization of your body's system.

My prices:

70 min. - £50

90 min. - £60

120 min. - £70

150 min. - £80 This is strictly professional at my home clinic in Hove or out-call visiting in Sussex, Surrey, Hampshire and Kent. I usually provide treatments to females - offered to males by personal
