At my home studio in Rose Green I sew curtains, blinds and soft furnishings to order. I offer a reliable, friendly local service, with free consultation, measuring and fitting services. Your soft furnishings can be made up with fabric of your choice from any store. In addition, I am more than happy to alter curtains you already have. Each project is individually priced and all quotes are without any obligation. If you're thinking of having something made or altered feel free to get in touch for a chat.
