I bought 3 pairs of these for myself in a 6 but when they arrived they were too small. As they were not faulty it meant i had to return them for exchange at my own cost to Belgium. So, here they are. I got a discount on them at the time so £15 each is a bargain. Well made not fake or dodgy. I wear Converse and vans etc but i prefer these....in the right size :) Id rather they were collected as postage is costly. Im in Harpenden. I can deliver if local. 07905902057 079059020...(click to reveal full phone number) All 3 pairs have a box so they will be perfect for a.
