Manufacturer's description

The 800 pocket springs in the Fareham Memory Mattress provide overall body support from head to toe.

The mattress features a MEMORY FOAM layer providing instant comfort and pressure relief where your body needs it most.

Finished with a soft knitted mattress cover for a beautifully soft sleeping surface.

Part of the Fareham collection. MEDIUM-FIRM feel. Pocket sprung with memory foam layer mattress with 800 springs. Knit cover with micro quilt finish (Non-removable) ANTI ALLERGY Mattress size W90, L190, D25cm. Easy care no turn . Made in the UK. Why I am selling Nothing wrong with it but a little too firm for me. New and in original packaging (Heavy plastic). I'd guess it's fine for the majority of people, being in the mid range but I've neck issues that make me more fussy. Happy to let you check it out for as long as you need.

Bought for £200 but delivered whilst I was unexpectedly away from property . I was away for several weeks and went past the return date.

Friendly note Less than half price as I am extremely keen on a painless sale and NO POST-SALE HASSLES (Smiley face).
