www.crystalmirror.org Crystal are beautiful ancient gifts from our earth & if used wisely and responsibly they can assist us in better understanding who we truly are as beautiful human beings, & perhaps taking more responsibility of ourselves. These are just two of the properties that Brandberg hold,as well as bringing one back into balance, clearing & re-aligning the energy system when we slip into that negative space, brandberg brings a smile back into our being. I have a wonderful collection of crystal,Specializing in brandberg & also raw Selenite that I found & collected myself along the east sussex coast,a guided gift from the divine source. I also like to offer Swedish massage therapy,a wonderful way to simply relax & unwind using slow & gentle or invigorating strokes/movements that warm up the muscle tissue, releasing tension and gradually breaking up those knots,and adhesive tissue,depending on what we want to achieve. Swedish massage promotes relaxation, among other health benefits. This can be done in the comfort of your own home or if you prefer you can come to mine. ITEC diploma cert in Swedish massage and anatomy & physiology (Female only) I am new-ish to town and am simply building up my small business, connecting with people,building a network of beautiful souls bringing light where possible. ;
