Hello i am a mother of 4 who would like to give my kids thier one wish which is a puppy Pug or Staffordshire Bull terrier. This puppy would be loved by all and never be lonely!! I'm willing to pay up to £200 but i cannot afford any higher. It is not needed before Christmas, can also can be after, during the school holidays as i want the kids to spend unlimited time and bond with the puppy! We have a nice big garden so the puppy will always have green space. Willing to travel wherever to collect # determined!
