Here is our little van for sale. Never worked hard in her life. Only 53000 miles from new. Full MOT 11months. No adviser. New tyres all round including spare. The back has been Ply lined to keep it clean and protect since new. The interior is lovely and clean. No work needed at all. Great runaround for a jobber etc. 60 mpg can be obtained most days. Many thanks for looking. No tyres kickers. The asking price is £800 with very little movement as it's a bargain for.
