HTC One M8 - Upgrade forces sale. Great used condition. Screen is in excellent condition and has always had a screen saver. Some small (very fine) marks to the rear cover, just from rubbing on the inside of the case. However when the case is on (included) these are invisible. I've removed the screen saver but will include the SupCase cover, it's also in good nick. Phone comes with its original HTC charger, so all ready to.
