White under counter freezer, working perfectly but no longer needed as I bought a bigger fridge/freezer instead. Fairly clean inside but did get some little black marks as I defrosted it and left the door shut so it just caught a bit, will only take a little wipe down to be good as new. Top Shelf (no door or drawer) 1 large drawer and 1 half drawer to the bottom - ideal for smaller families or a back up freezer. Is 84cm tall and 49cm wide and will fit under most worktops. ;
