not til june 2017 Unfortunately, change in circumstances mean I have to sell this diamond of a car! You won't believe this is a 16 year old car – it's been fully maintained (cost no object) and treated with complete respect. Here's just some of what's been done: New multi-layered head gasket.New belts.New CV joints.New front brake pads. This is all the hard and costly work, so nothing for you to worry about from here on in. It has all the extras you'll want: Electric windowsElectric wing mirrorsAir conditioningABS brakesAir bags This car is a looker and a great deal for someone who wants a well maintained vehicle that's nice and cheap to run. ;
