 44k miles, cambelt done at 40k!!!!
 MOT till October 2017

This 4/5 berth motorhome

has been very well looked after and is in good condition for a vehicle of its age.

The end kitchen includes a hob, sink with taps, fridge and a microwave.

The washroom features a shower, toilet and sink with taps.

In the living/Dinette area there are two benches facing each other with the dinette table in the middle, in this area there are a further 2 travelling seatbelts, therefore allowing 4 passengers to travel.

There is also a long bench at the side of the motorhome to allow for more people to be seated.

A double bed pulls out from the dinette area the cater for 2 of the 3 berths.

The final of the double beds is located above the cab.

The motorhome has very low mileage and drives really.
