This is my ford transit lwb 350, an excellent example of a well looked after van, very low miles for the year only 121000 , has a service on a regular basis, every thing working as it should.. It also has a bunch of extras ( rear view wide screen reverse camera, 3 pc heavy duty roof rack, heavy duty rhino ladder, factory fitted metal bulkhead, towbar, safty features ) all round good tyres and 6 months mot It has the the odd scratch here and there but all have been covered with ani rust solution, and a small cut in the drivers seat hence the seat cover. Only reason for sale is i am down sizing to a swb as my job requires so Great bargain, it is advertised elsewhere so might be removed at anytime;
