I have recently excavated a shed base in a section of my garden. The topsoil we have dug out looks to be good topsoil and I am offering this free of charge to anyone looking for topsoil for their garden in preparation for next year planting season. There is about a 3 tonne of it. Please call me on 01737 233660 01737 2336...(click to reveal full phone number) if you would like to collect it, or a part load of it. No amount too small. I just want people to benefit from it free of charge. You will be expected to move the soil yourself.;
