 Overall Health

In front of the computer for a Long Time or over exercise can often Lead to strained And inflamed muscles and joints, although our Instinct is To reach for over The counter pain killers, what it Provides in reality is just Temporary relief while what our Body Needs is a nourishing And intense body massage. Massaging the Body with slightly warm, extra virgin olive oil helps in relieving muscle pains, Spasms, sprains and Inflamed joints. In addition, it also helps In relieving the Pain caused by arthritis and gout. The massage works Even better when combined with yoga Exercises for back And legs. this is only a non sexual service thank you plus non held numbers

I am here Monday-Sunday please call me not email me as I don't read emails

with long&short strokes
I will work more in areas which are needed mostly
Then I massage you with lovely warm rocks then leave on the spine while the heat does it magic

Then I work on the feet reflexology working with all your pressure points

Then take the rocks off you & give you a head massage
After that I will work with my elbows and arms to do a Swedish massage great for using to get into the muscle Areas of the body

Then long strokes using my Nukkles to massage your pressure points all over your body.
After this you will feel so relaxed and may very tired and This will also help you sleep into a deeper sleep.
The stress will be lifted and you will feel like new
There is so many health benefits with this massage it covers everything

Non smokers only please and please no aftershave or perfumes please wash this off thank you if you wish to see who is massaging you then please look on friday ads

Outstanding. I suffer from rheumatoid arthritis and lumbar spinal stenosis. I find that regular massages help with mobility and take the edge off pain for a couple of days; I called Tina because my regular practitioner was away on protracted leave. Without doubt, Tina offers the best massage I've had; the hot stones work. Highly recommended and very
