Collection only. Super strong like-new Fetplast cage with secure clips on the front door which can be twisted so the door completely comes off. Red button can be pressed in and turned to lock the door of the cage. Clips on top can be moved along so the top can open also. All clips/ moving parts are still very stiff and like new. Can carry a heavy pet without fear of the handle breaking as its all very tough plastic. Will need a blanket or bed as not included. Absolute bargain as usually £35 new for this brand, others can cost even more than this.
