Car Diagnostic Service We are Dealership diagnostic technicians but cheaper than dealership price Worrying warning lights on your dashboard? Let us quickly identify the problem and stop costly component failures. We use state-of-the-art car diagnostic test equipment and our high-level technical training means we can make sense of baffling fault codes and advise on any necessary repairs. You'll always pay a great price for our comprehensive vehicle diagnostics check - and the peace of mind is priceless. We offer a professional service and pin point accurate diagnostics, which save you money with mechanics who are just guessing due to the lack of experience on the cars OBD. Some of the things we can do:

- Reset service lights

- Program injectors

- Reprogram Mass air flow sensors

- Reprogram EGR valves

- Soot content readings

- DPF regeneration Static/ Dynamic

- Clearing fault codes

- Checking exhaust back pressure

- Live vehicle readings

- Problem dash lights rectified/ removed

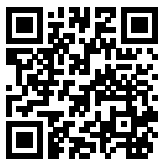

- We specialise in automatic/ Manual transmission We also provide a mechanical service E.G. Pads and discs, servicing, Mechanical.....
