At All You Need Property Maintenance we take great pride in providing a reliable, efficient and cost effective service that delivers great value for our clients. Our skilled, experienced and trustworthy tradesmen get the job done quickly and efficiently, minimising hassle and making our clients' lives that little bit easier. On our team of tradesmen we have qualified plumbers, plasterers, carpenters, electricians and tilers so we are able to carry out any job you need doing. We have an experienced team of kitchen and bathroom fitters that can help you design and plan the layout of your room. We strip out and arrange removal of all old units and suites. We then plaster, tile, paint and fit new units and fixtures as you wish. We specialise in converting bathrooms into wet rooms and in fitting accessible showers and baths in adapted bathrooms. All tradesmen have many years experience in both domestic and commercial property development. They are also DBS checked for your peace of mind.
