Lovely, large, double room for rent. Available now. To share a large kitchen and bathroom with one professional female in 30's. All bills, council tax and wifi is included. It's a ground floor flat in Chesham Place with a small garden. New memory foam mattress, dishwasher in kitchen, smart tv box and cleaner for communal areas. I have cute jack russell who comes to work with me, so he's not at home all day, but liking dogs is essential. There is no lounge but both rooms are huge and the kitchen is also large with a dining table and French doors onto garden.;
