

shower screen brand new never fitted (30 GBP)

Location **North, South Wirral**
<https://www.freeadsz.co.uk/x-475894-z>

brand new , never fitted
 small scratch in the glass i want to mention, tried taking a picture but you cudnt see it in the pic, hense barely noticable.
 this is called an L shaped shower screen as it has another end panel. im preety sure you can just use the main one for a straight bath, so i would say for an L shaped or straight bath .
 can deliver for fuel
