

BRAND NEW Fender Squire, Classic Vibe Precision Bass Guitar (200 GBP)

Location West Midlands, West Midlands
<https://www.freeadsz.co.uk/x-475931-z>

Hi,

Literally bought this a month ago and I've played it about two or three times.

Realised I've probably got one too many and don't actually have the time to use it!

Sounds amazing - Plays really well and at this price and condition it's an absolute steal.
