

FARFISA TS600 ORGAN WITH MIDIBENCHBASS amp VOLUME PEDSLS amp QUALIT

Location **Yorkshire and the Humber, South Yorkshire**
<https://www.freeadsz.co.uk/x-476587-z>

The organ requires attention to two of the bass pedals hence I have reflected this in the asking price.Please note buyer must arrange and pay for the removal of the organ. The keyboard does unscrew from the bench.Please note that the manual is missing and there is no stool,i just used a traditional piano.
