WWW.INTERIBER.CO.UK IBERIAN HAM It comes from the iberian pig hind limbs. Is a product of fine leg and juicy with valuable features, has pinkish hue with great presence of fat between veined golden infiltrations caused by providing a pleasant explosion of flavors for the palate combined with the great aroma. From Iberian pigs reared in selected outdoor extensiveness in our pastures of Extremadura with a minimum age of 12 months. Grass fed, feed and grain productions, all natural and high quality. Individually identified from birth, following a strict sanitary control and power in the process of breeding. The corresponding minimum time since the birth of the Iberian pig to selling the piece is 3 years. High quality product, own the authentic Iberian. Fat infiltration between muscles, oleic acid and polyunsaturated fats, due to movement of the animal with complete freedom. SPECIFICATIONS Ingredients: Iberian ham and sea salt. Weight:6-7-8 kg. Price: 13 £/kg. Presentation: Wrapped in wax paper and sheathed in cotton mesh. Curing time: 24.
