Steering Mounted Audio Controls Owner just upgraded to her dream car as x-mas present and is selling now her trusted old car. A superb car drives without fault used daily to go to work in Haverfordwest.

Really great performance and outstanding return on fuel. Has a nice 1.6 engine and a 5 speed gear box which makes it a great long distance runner. Very comfortable to drive. The interior is in good condition very clean and tidy. There are a few age related marks on the outside but to be expected it's clearly a very well looked after car. New tyres all around 3 month ago. Car is Taxed but has no insurance. Full engine service at 106000 miles including: New Battery Cam belt change with new tensioning roller Water pump Spark plugs Oil change with filter Air filter New engine Anti
