Servicing & Pricing:

Every bike I sell has been serviced by me whereby I go through a checklist of every component on the bicycle to make sure everything is working as it should be.

I believe my selling price is always reasonable. My last pic on the advert shows what a bike shop would charge for just a service (without replacing any parts).

On this bike I have checked everything over as a mechanic would, This has had new gear levers, and all the gear and brake cables have been changed.
