Taylor & Son's Gutter Cleaning

At this time of the year there is nothing worse than a build up of fallen leafs, debris and moss in our gutters which in turn can have a big impact on property for example damp getting into walls and roofs and much more.

Well don't worry help is at hand with our dedicated service to ensuring that this is not a worry for our customers and making sure their gutters are clean all year round. No job to small from a friendly and hardworking family company, our goal is to make sure all our customers are happy with the job done and service provided.

The system we use is ladderless, we use a high reach gutter vacuum which reduces mess and speeds up time making this the number one way people now have their gutters cleaned.

Also as a company we know a lot of people may have their windows and outside of their property absolutely spotless but what a lot of people forget is their fascia boards so we also specialise in cleaning them too so your home or commercial property doesn't just have clear gutters but has gleaming fascia boards too.

Also we do specialise in residential window cleaning too in and around the Buckshaw Village area so if it's not your gutters or fascias but maybe your windows you want doing then please do get in touch.

We are based on Buckshaw Village and cover the Chorley, Preston, Blackpool, Lancaster and surrounding areas. We also cover the north west codes of postcodes.

Prices very competitive starting from just £30.00 depending on size of property and property type.

PLEASE NOTE Our company has also expanded into power washing, we can make sure any driveway/patio look like new once again using our high pressure jet wash system.

Gutter clearing guide prices for residential properties-

--	---	---	---	--	---	---	---	---	---

2/3 bed bungalow £30.00
2 bed semi/detached £40.00
3 bed semi/detached £55.00
4 bed semi/detached £65.00
5 bed semi/detached £75.00

These are all guide prices and will depend on how blocked the gutters are or how full they are but there or thereabouts. It can depend if it's a 3 story house too so if this is the case then please let me know when booking as we would need to use further attachments than the regular 20 metre poles we use for the gutter vac.

So if it's just your gutters or your fascia boards? your driveway, your windows or maybe all then please call Simon today or message for a free no obligation quote on
