

Encore Stratocaster style circa 1980 Made in Korea (50 GBP)

Location **Yorkshire and the Humber, South Yorkshire**
<https://www.freeadsz.co.uk/x-478251-z>

This is not a modern Encore if you look at the string guides on the headstock I would say 1980's. In very nice condition the tremolo arm is missing plus the guitar requires a new set of strings.Buyer must collect in person any reasonable.
