This 200ml Gold Orchid Colour Extend Hair Mask has been developed for the comprehensive care of colour-treated hair damaged by frequent hair salon treatments. Due to the presence of African rooibos extract and shea butter, it retains the colour depth and prevents it from washing away. Argan oil and fruit juices nourish and regenerate hair and prevent split ends. Sweet almond oil, wheat proteins and a unique natural polymer make your hair silky soft, smooth and shiny as well as close hair cuticles. Soy proteins regulate sebum secretion and prevent oily hair. Natural protective polymers make your hair more susceptible to styling and easy to comb. Glycerine and pro-vitamin B5 soothe irritations and protect the scalp from dryness whereas the orchid additionally strengthens it. It has a rinse-out.
