Lovey run about, full service history, last service 07/16. MOT till 09/17. Low mileage only 70k on the clock.

Aux and Bluetooth connection. Glove box has air con facility to use as a cooler, boot comprises of 3 compartments that can convert into 1 large. There is a bump to the rear right (please see photos, have been quoted £200 to fix) so will be reducing the price from 3200 to 2900. Happy car hunting :)
