Good condition 125cc X-Max, cheap price ideal commuter, four owners from new, we have just serviced the scooter but there is no service history from the previous owner, but no faults were found during the service we carried out. The scooter is fitted with a Giannelli sports exhaust, wavy front disc and a carrier and top box. The scooter also comes with a long MOT and 12 months warranty. The clocks have just been changed due to the oil warning light not going out, so we can only give an estimate of the correct mileage from the MOT's. Ready to ride.
