I am a professional wedding photographer based in west London. I have been studying photography at University and continued the journey of a creative life working as photographer, I have an experience of more than 5 years in doing weddings, events and travel photography.

- My style •

I am totally in love with documentary photography!

My approach is respectful, non-intrusive with a preference for a spontaneous style.

I believe things should be captured in the most natural way possible, but I'm also available to give guidance if needed.

I always ensure my pictures tell a genuine story of your wedding day, spontaneous gesture, raw emotions and all the highlights are captured for you to enjoy for years to come.

- How much? •

The rate can be personalized and in order to provide a good quote I would need to know:

1. Date of the ceremony ( I'm already taking bookings for 2017!)
2. Time and location
3. Number of hours covered by me

Please contact me for more informations about my packages and
