Hi, we have a beautiful Rhodesian Ridgeback boy of a litter of 6 ready to go. KC registered, health checked, wormed and with first and ready to go to a new home now. This is a large puppy with a perfect ridge and great bloodline! Great price for quick sale. This beautiful red wheaten puppy has a perfect ridge. He has been socialised with children. Both the sire and the dam (I have mother here) have great temperaments and he has a terrific lineage with champions in it. He was promised to someone else who changed their mind due to circumstances, so my advice is if you are interested; get in touch now as he will be gone!
