This is a great car that has been well looked after. It has done an average of less than 5000 miles a year for the last 4 years. I have owned it for the last 6 months as the previous gentleman owner was unable to drive anymore and wanted it to be looked after. Extremely comfortable and easy to drive and cry reliable. Only selling as I have 3 cars and don't have room on the drive - otherwise I would keep it for when i fancied a more luxurious drive. Brand new MOT to help provide confidence to the new owner. Two advisories - faded number plate rear but not likely to be misread. Nearside rear tyre worn on inside edge. Any test.
