

Cleaning service for the school

Location

South West, Gloucestershire

<https://www.freeadsz.co.uk/x-481688-z>

GCS offer a tried and trusted School cleaning service in UK Whether your school is large or small we can provide professional and experienced personnel to facilitate all your cleaning requirements. Schools, by their very nature, contain a lot of people, coming in and out all the time and in all weathers. Children need to learn in a clean, orderly and hygienic environment. So it is crucial to engage a reliable, professional and dedicated cleaning team to stay on top of the inevitable mess – and all within a strict budget. GCS can even provide onsite janitors that can facilitate your cleaning needs at a moment's notice, ideal for the toilet facilities that are in constant use and not always in the best state of cleanliness.
