Harlequin is the third and final piece of The Masquerade Trilogy. Designed by Anton Hirzinger, Harlequin is 129mm (5 1/8") tall. Harlequin is made from clear, frosted and black crystal, and holds a red crystal rose which has a metal stem and leaves. Harlequin has been on display in a display cabinet and is in very good condition (as new). He comes with a display stand. The Display Stand did not come with Harlequin when He was bought and I had to buy the stand separate, price of which is now £40.00. I have seen the Harlequin in an Antique shop in York selling for £195 without the.
