Christmas Present idea?!

Beautiful Fender dg-3 acoustic guitar with steel strings.

In good condition and has a lovely tone to it when played. From its storage and life it has acquired a few cosmetic knocks which I have tried to photograph as true as possible. They are purely cosmetic though. Bought to learn on but never did.

Could make a great Christmas present for an adult wanting to learn? ! Based in Brighton but there is a chance I could take to London with me if.
