Wanted...Do you have one of these examples, or know someone who does have one... possibly unused now and shut away in a drawer? Perhaps you'd like to sell it in order to obtain urgently needed funds, but still are not sure who to go to? I am a private individual, and really would like the opportunity to own one of these again. A guaranteed swift cash offer awaits, which will be better than any jewellers will offer. It will of course be dependent upon the condition of the item, and, if you have the original box and papers - then considerably more than the amount shown here will be offered to you. This is a completely genuine private purchaser request. Please telephone in complete confidence, and thank you for viewing.;
