Featuring six rooms split over three floors, it evokes the magic of childhood in a bygone era when dolls' houses were at the very height of their popularity. To recreate the external look of the house you can purchase the Bath Stone paper separately, product code 8268. Wentworth Court has been featured in numerous magazines, lending its distinctive Georgian elegance and style to a range of features and articles. Italian architect Andrea Palladio, from whom the term Palladian emanates, is famous for grand proportions, characterised by iconic columns and sophisticated stonework as seen on Wentworth Court.
