here I have a 3 piece black leather suite for sale. The suite is just over 2 and a half years old and its still in extremely good condition, Infact you would almost think that it's brand new apart from one of the chairs that you can clearly see that it's been sat on...it is a leather suite but the leather is a soft leather it cost over £3000 new and my parents are looking for £600 Ono...it's very comfortable suite and was bought out of Reids furniture...now,if you know Reids you will know that you won't get a 3 piece leather suite out there for this price...you would have to view the suite to see how good the condition is as I said it's almost like brand new...if you would like any more info please get in
