I am the Business manager for the Lancashire and the surrounding areas on behalf of Kwalitas. We are offering an alternative range of services to businesses to what they currently use, including: \*Merchant services

\*E-commerce solutions

\*Government-backed cash advance scheme

\*Business utilities

\*Website development and management We have recently signed a contract with the Allied Irish Bank offering merchant services and supporting businesses with wholesale rates on card terminal machines. Approximately 60% of businesses approached are converting to this new scheme where we offer wholesale rates on your merchant service transactions. To see if you're eligible for the wholesale rates, we would need to look at a recent merchant statement. We can then do a comparison against your monthly spend and give you a very competitive quote. In regards to the government backed cash advance scheme, SMEs may be eligible to receive cash injections between £2,500 up to £300,000. Approval can be as quick as 7 days. Ideal for businesses who want to invest in other projects or expand. We are more than happy to meet with business owners or their account managers and broker the best deal for your business. Please feel free to contact me on my mobile or email address for more information or a free quote. We will gladly see what we can do for you by reviewing your most recent merchant statement and we will get a quote through to you the same day it is received. If you have any questions, please give me a call. I will be happy to answer them for you. T: 07913 903780 07913 9037...(click to reveal full phone number)
