This men's Rado True quartz watch was purchased on 30/11/16 from Ashford of NY and has only been briefly taken out of the box to photograph. For the avoidance of doubt it has not been worn. All the links are in place and some may need to be removed to fit. INCLUDES RECEIPT Features aviation style large markers like a Bell & Ross so is easy to read. This watch is completely scratch-proof and water resistant to 30m. A man's size 40mm watch - 38mm is often too small. Complete with box, slip cover, warranty card, instructions, sealed cloth, tag and instruction manual (never opened). The receipt can be supplied in the event that a warranty claim is necessary.

Warranty until 30/11/18 so bid with confidence. The RRP is approximately £1100 so grab an amazing Christmas bargain. The entire watch is plasma treated to shine brightly so looks more like steel, albeit scratch-proof. The crystal is made of sapphire so is also scratch-proof.

Change in circumstances forces sale. Collect from Eastbourne or will post by Special Delivery for £11. ;
