LifeStyle Caravans LTD are offering a beginners guide to first time caravanners. This is useful for people who have never owned a caravan in the past but are looking at potentially purchasing their first caravan & their first caravan holiday. Throughout the guide we will cover the following: - Information about caravan insurance

- Discuss towing weights
 - Hitching a caravan to a tow vehicle safely
 - Most common areas & reasons for damp
 - Basic knowledge of how to use appliances
 - Things to look out for when looking at potential caravans
 - Basic understanding of motor movers
 - How to correctly store your caravan over winter
 - Caravan security
 - Proper loading of a caravan
 - Basic understanding of towing & reversing (NOT demonstrated)
 - What to bring on your first holiday
 - Basic understanding of caravan safety
 - Discuss campsite hook up electrics
 - The basic structure of a caravan
- Over the years I have heard many horror stories of people buying caravans which are covered in damp or unfit for use due to lack of knowledge or lack of experience. This course is here to help you not get caught out and teach you what you should be looking at when looking

at caravans and your first trip out. The course will be on the 28th of January 2017 and will have a maximum of 15 people on the course. It will be held in a hall in Maidstone, Kent and will be a day course.
