ZANUSSI ZKG5540XN - 3 months old. Still a current model Freestanding gas cooker with double oven, grill and four burner hob with enamel pan supports. 55cm wide so useful for where a 60cm wide cooker won't fit.

Main features of the cooker are:

Double oven - main and top. Main oven has full programmable timer facility - oven can be turned on and off automatically. Also has countdown timer/minute minder. Main oven has self-cleaning catalytic liners. Electronic ignition on burners and ovens. Automatic safety shut-off on hob if glass lid lowered when burners are still lit. Both oven doors have double layer glass to keep the front glass of the doors cooler and avoid burns if touched - especially by little fingers! Glass in oven doors is removable for easier cleaning. Dimensions - W-55cm, H-90cm. D-60cm

Cooker is in full working order.

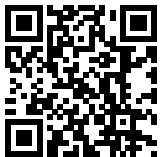

It's very heavy, over 50kg, so will need a couple of people to carry it and a large car or small van.

The gas hose, with bayonet end, is still attached to the cooker. Can deliver locally to the Bexhill area for cost of fuel. ;
