

FELT F95 Road Bike for SALE (380 GBP)

Location

Scotland, Aberdeenshire<https://www.freeadsz.co.uk/x-482630-z>

Bought in 2011 for £620 used for approximately 3 months only and loved how it was on the road. Rarely used due to working abroad, and now looking to change to a Mountain Bike.

21" frame, lightweight ultra hybrid carbon bike. Repair kit fitted behind seat and clock/ speedometer in front of the handlebars, which were additional costs, are included in sale price. Also had service check in 2012. Collection only. Really good!
