with TV bracket in place and lots of storage. Large through garage that easily holds 3 or 4 bikes, awning, spare wheel etc. Contains power point and lights. [Please note contents not included in sale except spare tyre] Removable stud fitted carpets throughout [not used so in excellent condition]. Full vehicle health check and new cambelt fitted by Fiat in August 2015 Last Serviced March 2016 We are only selling as we want to downsize to a 2 berth motorhome. This 2009 Cheyenne has been a great, quality build (forums imply better than the new ones!) comfortable, reliable motorhome. We have driven many miles around France, Spain, Germany, Italy etc without problems and am not 100% certain we are doing the right thing in letting her!
