

Scarlet Macaw babies ready to go (1,500 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-482723-z>

The baby Scarlet Macaws that we breed are parent started. This enables them to obtain the appropriate crop and gut flora that only the parents can provide. We do this so they can establish a robust immune system. They will easily adapt to new environment and people. Excellent ability to learn new things and tricks;
