Come along to our volunteer drop-in session to find out how you can make a difference to local families living with terminal illness through volunteering in one of our 16 roles at Birmingham St Mary's Hospice. Through volunteering at the Hospice you will become a valued member of the team, meeting new people and making friends along the way. Volunteering is a fantastic way to create new experiences and learn new skills, supporting your personal or career development. Our Fundraising volunteer coordinator will be at Birmingham Voluntary Service Council (B5 6DR) on Tuesday 17th January between 12pm – 2pm, where you can begin your volunteer experience with the Hospice and find out more about what volunteering roles will be suitable for.
