Ciao ragazzi! We're Alessandro, Andrea and Lorenzo, we're 27 years old and we are italian language teachers. We always travelling, at the moment we're living in Warsaw, Poland, where we started to run our blog (www.italiapopolsku.com) about italian language and culture. We're passionate about italian language and we taught to foreigners since 2010, both to classes and individual students. We started to create an italian course on YouTube (you can see the first video here, but it's in Polish, you still can try to understand something ;-)). We offer you italian lessons and conversations by Skype. Both if you starting from 0 and if you already more familiar with our language. We'll give you the book and all the material that you need. The price is 15 £ per hour and the first hour lesson is for free! If you're interested or you have any questions, write us an e-mail at contact@italiapopolsku.com or write us in Whatsapp to +39 348 4092395. Ciao! ;
