Location

East of England, Bedfordshire

This statue is quite spectacular: it is 66 cm high (26 inches). It looks exactly like the classic 'Royal Dux Water Carrier' but much larger. It seems to be at least 100 years old. It seems to be made of plaster. It seems to have been very well hand-painted a long time ago. It seems to have had a few very minor repairs (but hardly visible). It is quite heavy. More pictures available. Visits of inspection welcome if required. Offered at £250. To be collected and paid for in cash. The HEIGHT is 66 cm OR 26 inches (NOT 66 inches as shown by mistake in one picture) ;
