

Maths teacher is available for tutoring A-level and GCSE students (20 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-483506-z>

I am glad to help GCSE and A-level students to overtake their difficulties. I am an Italian civil engineer now in my third year of teaching Maths in secondary school. My first aim when teaching is to build confidence in students and then make them thoroughly understand the basic concepts that underpin the specific topic they struggle with.;
