Village primary school for sale in northern Portugal.
 Mountainous area of Bragança, on the edge of the natural park of Montesinho.
 Panoramic and unobstructed view of the surrounding landscape.
 Large sunny windows.
 Spacious and fenced recreation yard.
 The school was built in a corner of the village, chosen for its tranquility, but a stone's throw from the other buildings of this small mountain village.
 These villages and hamlets are becoming increasingly desertic and the government has decided to concentrate resources in a single large municipal school.
 The school can therefore be converted into a dwelling.
 Constructed solid, brick clad.
 700m2 of courtyard and garden.
 The school is ready to live, with connection to the sanitary network, electricity, drinking water, telephone and Internet.
 The interior has to be renovated as it consists of two large classrooms, a vestibule, a dining area, a kitchenette and 4 toilets (boys and).
